01 FILE STORAGE & PHOTOS

Which of these do you already have on your phone?

✓ CHECK ALL THAT APPLY

☐

Dropbox

☐

Google Drive

☐

iCloud Drive
Built into iPhone

☐

OneDrive
Microsoft

☐

CompanyCam
For contractors

☐

None of these

YOUR COMMENTS

Anything else you use, or how you currently handle job files...

02 COMMUNICATION

How do you prefer to stay in touch on a project day-to-day?

✓ CHECK ALL THAT APPLY

☐ Text / iMessage

☐ Email – good paper trail

☐ Paper / Pen – Send screenshots of my notes

☐ No preference – whatever works for you

YOUR COMMENTS / OTHER

Any other details or a method not listed above...

♦ FROM THE DESIGNER

With all the different jobs going, email works best imo to keep things organized. I can then add anything you send, site pics, attachments, screenshots, to our shared project folder and keep the project organized.

03 NOTES & TASKS

Do you use anything to jot down job notes or track tasks?

✓ CHECK ALL THAT APPLY

☐ Apple Notes

☐ Reminders

☐ Google Keep

☐ Google Docs

☐ Nothing yet

YOUR COMMENTS

How do you currently keep track of what needs to happen on a job?...

04 SHARING JOB PHOTOS

When you need to send a batch of site photos, what do you usually do?

✓ CHECK ALL THAT APPLY

☐ Text them

☐ Email them

☐ iCloud Shared Album

☐ Drop them in a cloud folder (Dropbox, Drive)

☐ Haven't really figured that out yet

YOUR COMMENTS

Volume of photos per job, timing, anything that would help us plan...

05 TECH COMFORT

If a new app made the job easier, how open are you to learning it?

HARD PASS

MAYBE

SURE

LET'S GO

YOUR COMMENTS

Any tools you've tried and liked – or ones that just didn't stick...

06 ADDITIONAL COMMENTS

ANYTHING ELSE ON YOUR MIND – WORKFLOW, TIMING, HOW YOU LIKE TO WORK

Open floor – anything that helps us build a better process together...

YOUR NAME

First name is fine

SEND IT OVER →

Two minutes. Saves a lot of back-and-forth later.
